NORWAY

Ms. KLOBUCHAR. Mr. President, I rise to mark the new security cooperation agreement through the Department of Defense's State Partnership Program between the Minnesota National Guard and the Kingdom of Norway, which will be celebrated in Minnesota on Saturday, February 4, 2023. This partnership will provide a key avenue to deter aggression and assist in both of our nation's national security while broadening and deepening our long-standing relationship.

Norway has been critical to Minnesota's heritage and culture ever since the first Norwegian settlement was established in Spring Grove back in the early 1850s, a few years before Minnesota officially became a State. Today, Minnesota is the proud home of more than 860,000 Norwegian Americans. Some of our most beloved Minnesotans have been of Norwegian ancestry, including my late friend and mentor, Vice President Walter Mondale. At the end of last year, we had the honor of welcoming Her Majesty Queen Sonja to Minneapolis to celebrate the opening of Norway House's new Innovation and Cultural Center.

In addition to our cultural heritage, Minnesota and Norway share a strong, time-tested military relationship. In 1973, Norwegian Home Guard's Major General Herluf Nygaard invited the chief of the National Guard, Major General Francis S. Greenlief, to visit their Home Guard. What came out of that meeting was the Norwegian Reciprocal Troop Exchange, also known as NOREX.

Through this program, members of the Minnesota National Guard and the Norwegian Home Guard have gotten the opportunity to participate in field training exercises with an appropriate emphasis on winter tactical training. For Minnesota guardsmen, it has meant skiing through the mountains of Norway and sleeping in tents and snow shelters. For Norway's soldiers, it has meant winter training at Camp Ripley. Every participant is taken in as a guest by a local family, making NOREX a true cultural exchange.

For 50 years, the program has strengthened the militaries of both our nations while fostering goodwill and lifelong friendships. This new State Partnership Program brings with it the opportunity to build on that progress while offering reassurance to our friends throughout the globe and deterring our foes. This partnership will promote and deepen trust, familiarity, and interoperability between Minnesota and Norway.

Norway is one of Minnesota's best friends around the world. They have stood with us. We have stood with them. And we will continue to stand together. Our friendship is unshakeable. Our progress toward initiating this new State Partnership Program is a testament to that.

ADDITIONAL STATEMENTS

REMEMBERING SCOTT LABARRE

• Mr. BENNET. Mr. President, I rise to honor the life and career of my dear friend Scott LaBarre on the sad occasion of his death after a battle with cancer. Scott passed away surrounded by his family on Saturday, December 10, 2022.

From his days as a college student until a few months before his death, Scott, who went blind as a youth, fought tirelessly for the rights of blind people and other people with disabilities.

Born and raised in Minnesota, Scott attended the Colorado Center for the Blind, a world-renowned rehabilitation training program for blind people, and ultimately established his law practice and his family in the Denver area.

His legal work focused in the areas of employment law, disability rights, and international copyright policy. He held several leadership positions within the American Bar Association and the National Federation of the Blind—NFB—most recently as NFB's general counsel.

He served as chair of the board of the Colorado Center for the Blind, led the National Association of Blind Lawyers, and helped establish and guide the Jacobus tenBroek Law Symposium, the premier conference for practitioners and students of disability law.

His impact will continue to ripple across the world because of his leadership in securing the Marrakesh Treaty, an international agreement permitting the cross-border sharing of books in Braille and other accessible formats, which was ratified by this body.

Scott conducted all of his work with confidence, humor, and a joyful spirit. Going forward, I will miss his presence in the halls of the Senate when the National Federation of the Blind visits Washington each year, as well as my many other interactions with him.

I am sure that many of you also encountered Scott, and I know you will join me in lifting up his wife Anahit and their children, Alex and Carter, as they cope with this devastating loss.

I take comfort in the knowledge that Scott leaves a legacy encompassing not only his many accomplishments, but his impact on the hundreds of blind people whom he personally mentored and the millions who will benefit from his efforts for generations to come.●

TRIBUTE TO BRAD GIOIA

● Mr. HAGERTY. Mr. President, I rise today on behalf of Senator BLACKBURN and myself to honor the legacy and impact of Brad Gioia's 29 years of service as the head of school for Montgomery Bell Academy.

Since Brad was called to serve the MBA community nearly three decades ago, he has grown the preparatory school into a world-renowned institution. MBA's mission is to "provide each student with the tools to reach his maximum potential as a gentleman, a scholar, and an athlete." Brad Gioia has dedicated himself to fulfilling this mission. Senator BLACKBURN and I are honored to recognize his great service.

During the past 29 years, Brad has grown MBA's student population by two-thirds, increased the school's budget by 1,100 percent, and quadrupled the school's endowment. Most impressively, he has developed the comprehensive Wilson Grant program, which has sent hundreds of students to study and serve others all over the world.

Throughout his tenure, Brad has been a constant figure of support, dedication, and commitment to the students of MBA. He created a culture of support where all boys are celebrated when they excel, whether it is in academics, athletics, music, art, debate, mock trial, service, or theater. The strong sense of community that Brad Gioia built at MBA will reverberate for decades to come, and our community is forever grateful for his selfless service to the thousands of young MBA men over the years.

His dedication to the MBA community and the greater Nashville community will be missed, and his legacy will not be forgotten. On behalf of Senator BLACKBURN and the entire Nashville community, I thank you for your tireless years of service as the head of school for Montgomery Bell Academy. We wish you, Minna, Christopher, and Gabby all the best as you enter the next chapter of your life.●
